Feedback on Narelle for other home and pet owners: Narelle took excellent care of our Old English Sheepdog and our home while we were visiting family for several weeks. We were very pleased to receive regular updates and photos from Narelle, which helped us relax while we were away, knowing that our four-legged family member was in good hands. She took our dog on a lot of long walks on the beach and took the time to cook & prepare his meals according to his very particular meal plan. Narelle is highly responsible, competent and personable. What a delight to return to a happy dog and an impeccably clean home! We've already booked Narelle to return for another housesit/dogsit in the winter, and we are so happy to know that she will return to look after our dog and our home again. Thanks for being a great sitter, Narelle!!
