

Name: Brett Lubben

Feedback on Narelle for other home and pet owners: Narelle looked after my home in Bakuriani Georgia and my dogs Grizzly and Ozzy. Narelle was careful and respectful of my house and did a great job with the dogs, hiking with them at every opportunity.

Narelle is trustworthy and serious about her responsibilities. I consider Narelle a friend and would welcome her back anytime.

Where did Narelle house sit for you?: Bakuriani Georgia
