Feedback on Narelle for other home and pet owners:

Narelle was a godsend! I struggled to find reliable and loving dog sitters for my poodle and Aussie Shepherd mini. She's easy to work with, sends pictures whenever I'm missing them, and when they're on fun adventures, like walking on Morelia's main street, closed to traffic on Sunday. I was able to enjoy my time away knowing my dogs were safe and well cared for. Love to have her back!
