Feedback on Narelle for other home and pet owners:

Narelle is fabulous. I have a little puppy. She just turned one year on March 22.2026 . She is a rescue who was locked up in a crate for 12 hours a day, so very skittish with people and has a lot of anxiety. She did great with Narelle and missed her when she left .The first night Narelle was gone my dog woke me and ran into the room she stayed in crying for her .

When I came back, my home was exactly the way I left it, and she had a lot of insight into my little puppy.

I am flying from the East Coast to Cabo then to Asia etc so Narelle can be with her for the three weeks I am gone to Indonesia, Thailand etc .. it's much more work for me because I have to get another flight from here to LA except having Narelle here with my dog is worth it, because I know my dog will be in good hands with a professional, responsible woman

She will be watching her for over three weeks in November. I feel so lucky to have found Narelle through my friend who she sits for as well .
