**Feedback on Narelle for other home and pet owners:**

I've honestly lost count of how many times Narelle has watched over our kitty trio and home in the last four years, and that should indicate how much we trust Narelle with the care of our kitties and home. Honestly, once Narelle housesits for you, it's hard to have anyone else, so now we just plan our vacations according to her schedule. With Narelle, we know our cats and home will be well cared for, and we never have to lose sleep over it, even during hurricane season! (Narelle is great in any environment and can literally weather any storm!) Thank you, Narelle for your excellent care of our babies.
