Feedback on Narelle for other home and pet owners:

I met Narelle when she was sitting my neighbor's new puppy & she was so delighted with how she cared for her Dachshund that I decided to try her services.

I call her "The Dog Whisperer" and truly mean it. I have a Yorkie & Multi-Pooh which she stayed with for for days. They LOVED her! She was professional, loving, clean , respectful and even washed the bedding and towels before she left! I highly recommend her for any of your animals!
